

Zone Banner/Baby Quilt Information

LWML SWD Convention June 19-20, 2026

Bring out the creative side of the women in your zone. Each Zone is requested to make and bring a baby quilt banner to display at convention.

Quilt/Banners should:

- ❖ Include the convention theme in some way
- ❖ measure 36x52 or 30x40
- ❖ be one or two-sided
- ❖ include added fabric loops on one side OR removable product to hang the quilt/banner in some way for decoration at convention

Zones are requested to please bring a pole/stand to display your banner/quilt. If this is not possible, please contact Michelle Prince districtconventionchairman@lwml-swd.org

Following convention, baby quilts will be distributed to one of the following groups: Lutheran Counseling and Family Services (LCFS), Place of Refuge, Janesville Pregnancy Center, and possibly another location.

IF your quilt/banner-maker would like to keep the banner, please consider making a second baby quilt for the quilt offering.

Below are two baby quilt/banner examples:

The one above incorporates our theme.

The one to the right was our inspiration for this idea.
