

“Telling the Story” DVD Devotional Series for Shut-Ins \$16,000

One third of Wisconsin healthcare centers do not have pastors or chaplains conducting devotional services for their residents on a regular basis. This grant would provide money to produce and distribute devotional DVD's to bring the Gospel, spiritual comfort and care to nursing homes, assisted living centers, hospice care centers and shut-ins where a Chaplain or visiting clergy is sparse or non-existent and to compliment a pastor's care and reach those who have been absent from their church for some time.

Mission Grant Prayer

Dear Lord, Your word says: “Let us not forsake the assembling of ourselves together”. Because of the limitations of illness or age, many cannot assemble with your people for Sunday worship. Face to face pastoral care in some cases is remote or unavailable. Those who are experiencing such limitations will find the comfort and encouragement offered by Your words of forgiveness of sins, life and salvation through these recorded messages called “Tell the Story”. Please use my offering to help make this ministry available to many. In Jesus' name, Amen.
